Important Notice: Regarding 2026/27 Freshman Admission Arrangements (2526/108)

Dear Parents,

First and foremost, we would like to express our heartfelt gratitude for your trust in choosing our school for your child. It has been a great honor for our faculty to receive your affirmation.

However, it is with a heavy heart that we must announce today that, following careful deliberation and a difficult decision by the School Board, **our school will cease operations after the end of the current academic year on July 31, 2026**. This means the school will be unable to commence the new academic year in August 2026. We deeply regret any impact and inconvenience this may cause to you and your child.

Reasons for Cessation of Operations

In recent years, the educational environment has faced severe challenges, making continued operation unsustainable due to the following factors:

- **Continuous Decline in Birth Rate:** The sharp decrease in the number of school-age children in the district has resulted in lower-than-ideal enrollment.
- **Heavy Rental Pressure:** Facing rising operating costs and rental burdens, the school has done its utmost to persevere; however, it is no longer sustainable to maintain high-quality teaching resources in the long term.

Arrangements for Application and Registration Fees

To ensure that your child can register at another school as soon as possible, we have made the following administrative arrangements:

1. **Full Refund of Fees:** The school will provide a full refund of the HK\$40 application fee and the HK\$970 (half-day) / HK\$1,570 (whole-day) registration fee previously paid.
2. **Refund Period:** Please bring the original fee receipts to the school office to handle refund procedures between April 13 and April 30, 2026.
3. **Withdrawal of EDB Registration:** The school will formally withdraw your child's 2026/27 registration record from the Education Bureau (EDB) system on **April 1, 2026**. This will allow you to use the "Registration Certificate for Kindergarten Admission" (RC) to register at another school immediately.

Support for Finding a New School

We understand your anxiety regarding your child's education. We are actively communicating with the EDB and neighboring kindergartens in the district to ensure every student can find a suitable placement. **Attached is a list of other kindergartens in Cheung Chau** for your reference.

Should you have any questions or require individual consultation regarding school selection, please feel free to contact the school office at 2981 0066.

Once again, we sincerely apologize for being unable to accompany your child on their upcoming educational journey. We wish your child a smooth transition and a happy start to their school life in a new environment.

Sincerely,

Supervisor: Cheng Chiu Yin

Principal: Chow Ching Man
